

# Video Editing Volunteer in STAMMA's Employment and Training Services

STAMMA's Employment and Training Services work with individuals and organisations on issues related to stammering and work.

During 2023, we worked with a range of organisations including Money Wellness, Experian, New Day, Hertfordshire County Council, the Business Disability Forum, Network Rail and the CWU. For a flavour of our work and its impact, see this [blog piece](#) about our collaboration with Money Wellness.

As part of this work, we create video resources and workshops, tailored to different organisations. In our workshops, we see how powerful videos are in helping those who don't stammer understand stammering. Those workshop attendees go out and create change. We want to use more and more videos as a way of getting out there, making a difference and creating a world that makes space for stammering! In 2023, we also created a raft of new video-based training modules for our Helpline & Webchat team, which have made a huge difference to the level of support we're able to provide to new volunteers joining the helpline.

We're now looking for a volunteer who can help us edit, caption and prepare video clips for use in workshops, on social media and in our volunteer training programmes.

## Basic information

Hours	Ideally 2 hours per week on average
Day and time	It's not essential to join the weekly service meetings for this role, but if you'd like to join the meetings, one of the hours needs to be at either 2pm on Mondays or 10am on Tuesdays. The rest of the hours can be worked at a time that's convenient for you.
Location	Home-based
Supported by	Kirsten Howells (STAMMA's Services Director)

## What does the role involve?

Working within our Employment and Training Services, we're hoping you'll feel comfortable to:

- Using video editing software such as Premier Pro, Canva or similar, you will edit pre-recorded videos to remove unwanted sections, add in opening and closing slides, reduce background noise and caption them.
- Join weekly team meetings to discuss and plan for video resources as part of our work with organisations.
- Help us develop new video resources for employers and individuals around issues related to stammering at work

### **What support would you get?**

Whilst you're working in this volunteer role, STAMMA will fund a subscription to the necessary video editing software, such as Premier Pro if you need it.

You'll have regular contact with the Employment and Training Services teams with detailed instructions on what edits need doing.

There would be the opportunity for an online weekly planning meeting with Kirsten (STAMMA's Services Director and other volunteers on either Monday afternoons at 2pm or Tuesday mornings at 10am.

For technical queries regarding video editing, STAMMA's Comms Manager, Neha Shaji, will provide support.

### **Who might enjoy this volunteer role?**

You're likely to enjoy this video editing volunteer role if you:

- have some previous experience with simple video editing functions
- are able to understand written and spoken English
- have a computer which is sufficiently high spec to run video editing software such as Premier Pro
- are passionate about making the world a better place for people who stammer

### **Other information**

As a volunteer you can, of course, step back from the role at any time. However, both you and the service are likely to get most out of the opportunity if you're able to volunteer with us for 12 months or more. By gradually learning and developing your confidence in the role, you can have the biggest impact.

This is a volunteer role and is unpaid.

### **For more information**

If you have any questions, or to express an interest in volunteering in STAMMA's Employment Support Service, please email us at [employmentsupport@stamma.org](mailto:employmentsupport@stamma.org) or phone Kirsten on 02045 824 130. We'd love to hear from you!
